

Introduced by Senator Escutia

February 22, 2005

An act relating to career technical education.

LEGISLATIVE COUNSEL'S DIGEST

SB 835, as introduced, Escutia. Career technical education programs.

Existing law allows for the establishment by the county superintendent of schools of each county or the governing boards of school districts maintaining high schools of regional occupation centers or programs to provide education and training in career technical courses.

This bill would declare that it is the intent of the Legislature to enact legislation relating to the creation of a pilot program for expanding outreach in career technical education in high schools through high school counselors.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation relating to the creation of a pilot program for
- 3 expanding outreach in career technical education in high schools
- 4 through high school counselors.
